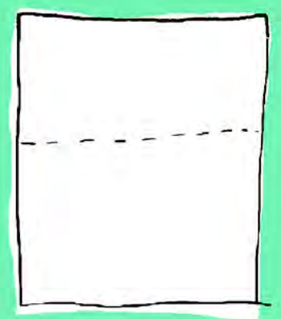
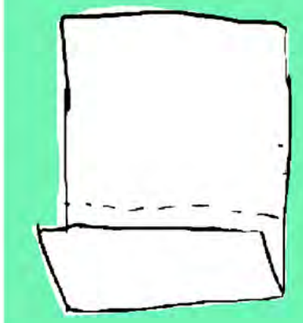
FOLD THE PAGE GAME

DRAW A FUN CHARACTER

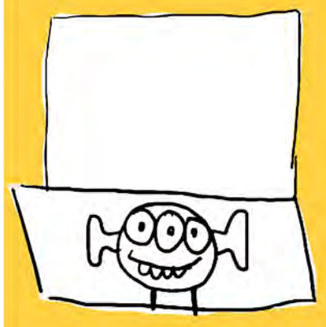
I used to play this when I was little... you need a Pen/pencil and a piece of paper each.. For 2 - 4 people .....



Fold Page in half - Then Fold the bottom half up to the middle



on this bit draw a head right up to the Line

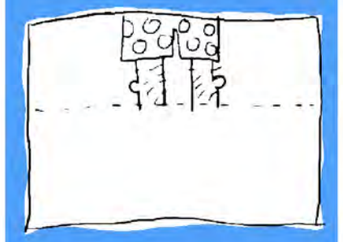


It can be anything you want (but make sure neck goes up to the fold)

Pass to person next to you....

In the next area above the fold Add the top half of a body including arms! (but keep all above the Fold Line) Pass it on

Fold the Flap From before over the one you've just done



Fold the bottom up so you have a fold line - in next panel draw the bottom + top of legs to knees. Fold over then pass it on

Finally draw the bottoms of legs and Feet and

Pass it on...

- a paper cup or a coloured in toilet roll

If you are using a paper cup ask an adult to cut the bottom out for you.

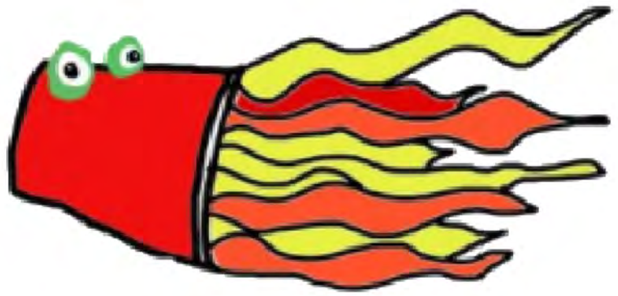
Cut lots of long strips of tissue paper for the flames.
Tip-make them wide at one end and pointy the other.

With glue or tape,stick two pompoms on as eye balls (You can use pompoms as nostrils too)

Stick the googly eyes onto the pompoms.Tip-make sure they face towards the mouth.

Glue all the way around the inside rim of the cup.

Stick your tissue paper flames all the way around the inside.
Tip- the more flames the better!



This is how your dragon should look- there are lots of flames!

If you didnt use pompoms as nostrils or eyes you can draw them on with a pen!
