

Good morning Primary take part in this weeks' challenge from Primary stars and win the chance to interview a real premierships footballer.

All you need to do is come up with a brilliant question to ask. When creating your question make sure to think about the player's feelings, thoughts and motivation. You can use our Hot Seat Heroes resources to help you, including our sample questions worksheet attached. Then post it on the link below.

Send us your question

to [@PLCommunities](https://twitter.com/PLCommunities) using [#PLPrimaryStars](https://twitter.com/PLPrimaryStars)

or email it to PLPrimaryStars@premierleague.com.

Why not have a go and practise interviewing someone in your family or a classmate?

You could choose to carry out an interview about a topic unrelated to sport; it is up to you to decide what will make the most interesting story.

Perhaps you have always wanted to find out more about what your family member's life was like growing up - now is your chance!

Weekly Challenge

Hot Seat Heroes

Premier League managers and players take part in lots of media interviews. Before matches they are asked about what they think might happen, and afterwards they have to review their team's performance and explain how they feel about the result.

For this week's challenge, we want you to put yourself in the shoes of a matchday reporter and would like you to prepare a question to ask a footballer about this Premier League season. The question should take into account the player's feelings, thoughts and motivation.

Share your question with us on Twitter using [#PLPrimaryStars](https://twitter.com/PLPrimaryStars) or by emailing them to PLPrimaryStars@premierleague.com

Head to the Hot Seat Heroes activity on [PLPrimaryStars.com](https://www.premierleague.com/PLPrimaryStars.com) for more information.
