JAMMIE DODGERS	Good morning Jammie Dodgers!	· Aaron & Louis – You will find this work in the brown envelope that	· Send pictures or a message to Jess or Lucy on Weduc (we are missing

Today you have 3 pieces of work to do (they will all be labelled Friday either on a sticky note or typed onto the sheet):

· Science –

Jack & Shae - It's time to plant your own seeds! We gave you a little box that says 'Little Garden' on it in your blue boxes that you took home on Thursday 26th of March. Follow the instructions that came with it – you will need an adult to help you. This is a little project for over Easter – after 2 weeks you will start to see shoots growing but you need to do your best to look after it! It tells you how to do this on your instructions. I'd love to see pictures!

Aaron & Louis – Mixed up food chains work. A food chain is the transfer of energy from one thing to another (basically it shows us what eats what!). Cut out the pictures of the animals that are part of a food chain that you may see in your garden and stick them in the right order. Have a look at some of the food webs that are included to help you understand.

P.S Don't forget to check on your woodlice house!

· Maths – Complete the shape patterns. Make sure you check the shape and colour so that you get the pattern correct! Please try your best to draw the shapes and colour them in neatly. Draw

was delivered by staff on Friday 27th March

· Jack & Shae – You will find this work in your blue boxes

you lots so the more pictures of you the better!). Becca or Mel will call to find out how you're getting on and will let me and Lucy know!

· You could also ask your Mum if you can download Zoom so you can video chat me and show me the fabulous work you have done – you could do this between 4 – 5pm in the week. Search for 'Jess Webb' or my email address

You will need someone to play with you. First you will need to cut out the pictures and mix them all up. Put the picture cards face down in a pile in the middle of you and the person you are playing with. One player turns the top card over – what is the picture of? Look and read the words on your game board and see if you have the word to match the picture! You could play over and over or you could stick the pictures to your game boards as flaps by putting a bit of glue along just one edge of the picture.</p> <p>Hope you have a fun Easter holidays! Stay safe and look after everyone in your homes. Remember, you can still email or Weduc me if you want to show me what you're up to!</p> <p>Please keep all of your work you have done somewhere safe, I'd love to see it all when we get to come back to school.</p>
