

Monday the 1st of June 2020.

Good morning Primary I hope you all had a lovely Half Term and are ready to zoom back into learning. To start the term we have an amazing competition where you can win these thermochroic stickers and Harry Potter mug which reveals a secret map when hot!

The competition has been designed by Sim, some of you have worked with Sim already or know her from primary break time. The idea is to design a smart object using colour, Stone Island designed this jacket which changes with heat, "Man's not hot!"- Oh yes he is!

To win follow Sim's power point and worksheet attached.
