A big congratulations to K Fish who was VIP student of the week and a special mention for Tyler!

This week many of you just need to complete 1 more experiment for your CREST Awards! Certificates and badges are going out in the post to some of you already! Why not try this water defying gravity experiment at home!

Or check out 7 other experiments you can do at home in this link.

In your **journal**, tell me how you celebrated VE Day. Did you decorate your house? Did your family have a little party? Did you watch the Queen's speech on tv? Maybe you observed the minute's silence at 11am?

On **Seesaw**, complete the persuasive writing task. Can you persuade me to buy a rock from you? Make your advertisement eye-catching and think about the different types of language you use.

Continue choosing books from **Oxford Owl** to read. Ask for help if you get stuck on a tricky word. Write the title of the book you have read

and read my comments.

Keep reading. Maybe share a book with someone at home and show off your amazing reading skills. I look forward to hearing about the stories you have read.

See you at 11am!
