

Good morning Primary,

I hope you are all enjoying reading during lock down, when pausing on a great story, it is always nice to have a bookmark to help you easily pick up where you left off. This week's competition is to 'Make a fantastic bookmark'! Bookmarks are really easy to create and quite a fun activity to do whilst at home too!

You might like to create a bookmark around your favourite book or favourite character, or create something using colours and materials you really like! Bookmarks are commonly made of card, paper, or fabric but you could use anything you have around the house. You might like to watch the example video for some inspiration on how to make a fancy bookmark or do some research of your own.
