

Good morning Primary, at this strange time, sometimes it's not the biggest actions that can have the biggest impact. Just look at Tom Moore, the 99 year old raised £28 million... from his **own back garden!** All of the things we do for each other count. Mother Teresa, a catholic nun who gave her life to helping others said, "If you cannot feed a hundred people, feed one." Every action we take counts. Some of you have been mowing the lawn, washing dishes and helping with cooking, which is brilliant, get back to that. A special mention to Sam who has been helping an old lady with her shopping.

For Newsround we would like to include clips of you helping others or doing your own garden challenges! Please film yourself and send it to your teacher.

Here's a clip of Tom for inspiration <https://www.bbc.co.uk/programmes/p08968g/>

What should I be doing today?		Where will I find what I need to do?	How will my teacher know I've done some great learning?
PART Y RINGS	In your journal, write today's date on the next clean page: Wednesday 29th April 2020		I will be able to share the learning with you today during our online lesson. It will be very similar to when we are in the classroom. I will be asking you lots of questions as we go along so make sure you are listening! Be prepared to join in the conversation too as all of your opinions are important!

JAMMIE DODGERS	<p>Good Morning my lovely Jammie Dodgers! Happy Tuesday!</p> <p>Today, you have three activities to complete:</p> <ul style="list-style-type: none"> • PE: <p>Aaron & Louis – Today, you will need help from an adult with a stopwatch. You are going to have a go at completing the different actions on the circuit that has been emailed to your Mums outside in the garden or inside if the weather isn't</p>	<p>Work has been emailed to your Mums.</p> <p>You can send pictures of you completing your work to Jess or Lucy on Weduc or through email jwebb@klms.leicester.sch.uk. If you are completing additional work on paper, please try to keep all of your work completed safe so that we can look at it properly when we are all back together.</p>	<p>Don't forget that you can talk to me and Lucy on Zoom on Mondays, Thursdays and Fridays. We love to see what you've been up to!</p> <p>Louis – 2pm Aaron – 2.30pm We can't wait to see you!</p>

great! For each action, you will need to see how many you can do in 1 minute and the adult will write it down for you. Then, I would like you to do the circuit again later on in the day to see if you can beat your scores! You will have a +1 added for each score that you beat.

- Geography:

Aaron & Louis –
With most of the world in a similar situation to what we are in, I think it would be good for us to learn a little bit more about the places around us but let's start with our home first! Complete the 'Where am I on the map?' workbook with help from an adult to help you understand more about where in the world you live. Think about any other places you may have lived or visited – what was the same or

	<p>different from where you are right now?</p> <ul style="list-style-type: none"> Science: <p>Aaron & Louis – We are continuing to look at living things in Science this week and today, you are going to learn three new really tricky, big words! Read the power point with help from an adult to understand what a carnivore, herbivore and omnivore is. Then, sort the animals into the correct group. You might need to do some research into this to find out if you are unsure! Maybe you might have a book about animals that could help?</p>
