

Good morning primary why not grow your own NHS Rainbow today!

How are we getting on with Sims competition?

How to Grow a Rainbow

You will need:

- Kitchen roll/paper towel
- Felt tip pens
- Two small bowls of water
- Paper clip
- Thread

1. Cut your kitchen roll into the shape of a rainbow.
2. Colour a rainbow with felt tips about 2 cm up on both sides.
3. Attach your paper clip to the top and tie a piece of thread to it. This will give you something to hold your rainbow with.
4. Fill each small container with water.
5. Hold your rainbow with the ends slightly submerged in the water then watch your rainbow grow!

THE SCIENCE

A brief introduction to 'capillary action'! Water molecules like to stick to things - including themselves. Sticking to things is called *adhesion* and sticking to itself is called *cohesion*. The fibres in kitchen roll make lots of little holes. Water is 'sucked' through the holes because of adhesion (liking to stick to other things) and cohesion (liking to stick to itself) means the rest of the water follows. The water pressure will eventually slow down and the pressure of gravity will mean it stops moving.

03/06/20 Wednesday	What should I be doing today?	Where will I find what I need to do?	How will my teacher know I've done some great learning?
PARTY RINGS	<p>In your journal, write today's date on the next clean page: Wednesday 3rd June 2020</p> <p><u>Online lesson 11am</u> All parents/carers have had an email with the Zoom meeting ID and password. It is the same for every meeting. You will need your journal and a pen or pencil. <u>All students are expected to attend.</u></p> <p><u>Maths</u> We are continuing with our work on Perimeter and</p>	<p><u>Zoom</u> https://www.zoom.us/join</p> <p><u>English – for free online reading</u> https://home.oxfordowl.co.uk/books/free-ebooks/</p> <p><u>Seesaw</u> https://web.seesaw.me/</p> <p><u>Email Helen</u> hlittle@klms.leicester.sc.h.uk</p>	<p>I will be able to share the learning with you today during our online lesson. It will be very similar to when we are in the classroom. I will be asking you lots of questions as we go along so make sure you are listening! Be prepared to join in the conversation too as all of your opinions are important!</p> <p>I will mark all work on Seesaw and leave you feedback. It is important that you check back and read my comments.</p>

Area. On **Seesaw**, complete the two activities called 'Area and Perimeter with Lego' and 'Area and Perimeter Geoboard'. If you haven't got Lego at home you could use buttons, coins or draw squares in your **journal**. The more creative the better!

English

On **Seesaw**, complete the 'Research bubble map' about your famous place that you want to research. Write the name of the place in the centre and a question that you are going to research in each bubble. You might want to know things like:
What is the population?
What language do they speak?
What currency do they use?
What is the temperature like?
Think about what you would like to know!

Continue choosing books from **Oxford Owl** to read. Ask for help if you get stuck on a tricky word. Write the title of the book you have read today in your **journal**.

Science

On **Seesaw**, complete the 'Weather report' task. Make a weather report for where you are today. Think about the language you use. Why might the weather be like it is? What

Keep reading. Maybe share a book with someone at home and show off your amazing reading skills. I look forward to hearing about the stories you have read.

See you at 11am!

	<p>do you predict the weather is going to be like for the next few days? Then, create a separate report for the place you are going to research. Is it different? Why? Jot down any notes in your journal.</p>

All of your work has been assigned to you on Seesaw. Remember, the more pieces of work that you complete throughout the week, the better your status and the higher your points!

Gold = 13 – 15 pieces of work

Silver = 9 – 12 pieces of work

Bronze = 0 – 8 pieces of work

Louis

All of your work has been emailed to your Mum.

to the best of your ability, make sure you save and send it to me. Then Lucy and I can look at what you have done and comment on it (it has all been great so far!)

Your mum can also still contact me on Weduc or email me at any time if you need help with any of the work.
