

Good morning primary,

I hope you have been practising your football skills we have a few new footballers coming to join our school next year and a new member of staff who is going to run a football team! They are very keen to win! If football isn't your thing then why not master a new skill, cooking, dancing, concentrating, drawing, magic tricks, etc. Attached is a skill sheet to help you record how you are doing, even trying for 5 minutes day can help.

! Remember to maintain a positive attitude and keep on going even if you don't succeed at first! Building your resilience is more important than how many kick-ups you achieve.
