

## Today's Learning:

	What should I be doing today?	Where will I find what I need to do it?	How will my teacher know I've done some great learning?
PARTY RINGS	<p>In your journal, write today's date on the next clean page: <b>Tuesday 31<sup>st</sup> March 2020</b></p> <p><b><u>P.E.</u></b> Start your morning with a workout with Joe Wicks.</p> <p><b><u>Maths</u></b> Use the Maths link to access the website. Choose your football team and player and be prepared to lift the cup! Choose the <b>Primary Star</b> option to start with. Work your way through the different levels. If you think you would like to challenge yourself, try the <b>Rising Star</b> or <b>Super Star</b> level. In your journal, <b>create five Maths questions</b> that you would ask if you were designing the game. One of us will have a go at answering them tomorrow when we call!</p>	<p><b><u>P.E.</u></b> <a href="https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ">https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ</a></p> <p><b><u>Maths</u></b> <a href="https://plprimarystars.com/for-families/play-game">https://plprimarystars.com/for-families/play-game</a></p> <p><b><u>English</u></b> <a href="https://home.oxfordowl.co.uk/books/free-ebooks/">https://home.oxfordowl.co.uk/books/free-ebooks/</a></p> <p><b><u>Seesaw</u></b> <a href="https://web.seesaw.me/">https://web.seesaw.me/</a></p>	<p>Take a picture of the screen when you have won the cup in Maths. You could draw a picture of it in your journal.</p> <p>We will be asking you about frogspawn. Make sure you know the answers to the questions.</p> <p>What can you tell us about the book you have read? What was the title? What was the story plot? We will ask you when we call tomorrow.</p>

### Science

Find the answers to these three questions and write the answers in your journal:

**What is frogspawn?**

**Where would you find frogspawn?**

**How long does frogspawn take to hatch?**

We are going to be observing what happens and looking at the life cycle of a frog as the frogspawn develops. Check your emails for updates and videos!

### English

labelled Tuesday either on a sticky note or typed onto the sheet):

· Science - Plate bird craft. We should have provided you with some foil plates in the shoebox that was delivered on Friday 27th of March. It doesn't matter if you don't have paint at home - just have a go at making your own species of bird! Please send me photos along with the name of your new species - I would love to see them!

· Maths - Greater than or less than sheet. Cut out the hungry crocodiles and stick them in between the two numbers. Remember that the crocodiles love to eat the bigger numbers - they are very greedy! When you have finished you might be able to meet an alligator (similar to a crocodile) in your own house. Ask your mum to go on to Google and type in 'Alligator'. There might be a section where it says 'Meet a life-sized american alligator up close'. Click the button that says 'View in 3D' and then 'View in your space'.

find out how you're getting on and will let me and Lucy know!

· You could also ask your Mum to check their emails as there are instructions on how to set up zoom so you can video chat me and show me the fabulous work you have done - you could do this between 4 - 5pm in the week. Search for 'Jess Webb' or my email address -
