

Today's Learning:

	What should I be doing today?	Where will I find what I need to do it?	How will my teacher know I've done some great learning?
<p>PARTY RINGS</p>	<p>In your journal, write today's date on the next clean page: Monday 30th March 2020</p> <p><u>P.E.</u> Start your morning with a workout with Joe Wicks.</p> <p><u>50 Things</u> Time for a trip to London! Today, we are going to explore... The Natural History Museum.</p> <p>Click the link for 50 Things. Scroll down the page where you will find lots of interesting things to do:</p> <p>There are 14 stories that you can click on and it will open a clip telling you all about the different exhibits.</p>	<p><u>P.E.</u> https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ</p> <p><u>50 Things</u> https://artsandculture.google.com/partner/natural-history-museum</p> <p><u>English</u> https://home.oxfordowl.co.uk/books/free-ebooks/</p>	<p>I expect you to have lots to tell us when we speak to you on Tuesday. I know I could spend hours here just looking at all of the amazing exhibits.</p> <p>Find something that really interests you. The museum is huge so don't give up searching...there really is something here for everyone!</p> <p>Have some of your amazing work ready to share with us when we Zoom with you today.</p>

There are nearly 300,000 different images to look at of items displayed in the museum.

There are 2 museum views where you can click on the screen and it will take you around the museum (it works like *Google Maps*).

Jot down any notes in your journal of things that you have seen that interest you. You will be using these notes later in the week so make sure you know what they mean! You could always do a little drawing to remind you of the things you have seen if you want.

English

After a tiring day at the museum, finish the day with a story.

Maths: Money- You will see that all of the jars have different amounts of money in them, can you work out how much is in each jar?

If you complete all of the work and want to challenge yourself to complete more, try out some of the online links that were given to you along with your work pack.

Bonus: Some of the boys have been amazing at home and helping around the house! Can you send me a picture/video of you doing something amazing around the house to help your parents?

This could be mowing the lawn, helping make the dinner, washing up, cleaning the house. Anything!

Please ask your parents to take any photos of your work or any videos of you completing your work.

It would be very impressive if you could take a video of yourself explaining how to do something such as column addition or explaining what an adjective is.

There will be prizes for the best Kung Fu Phonics videos!

This could help others who are at home trying to do the same!

You can email these to me:
