Hello to everyone who visits The Flat

Thank you for taking part in the recent Ofsted visit of The Flat.  
I really enjoyed meeting and chatting with you all.

A special thank you to Lewis for giving me the guided tour; Leo and Aiden for making me cups of tea (much better than Shaun's) and Ezekiel for his patience for helping me work on my jump shot!

I know that you are all well cared for and safe.

You all get on really well with the staff and each other. You do lots of fun activities, such as playing in the sports hall, going to the park and playing Man Hunt. You are listened to and what you have to say is valued. Staff care about you and want the best for you. It was great to hear how much progress you are all making.

Best wishes

Jo
